502 SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS, AND STUDENT'S PERSON

I. PURPOSE

The purpose of this policy is to provide for a safe and healthful educational environment by enforcing the Cannon Valley Special Education Cooperative's policies against contraband.

II. GENERAL STATEMENT OF POLICY

A. Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, school lockers are the property of the Cannon Valley Special Education Cooperative. At no time does the Cannon Valley Special Education Cooperative relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by Cooperative officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when Cannon Valley Special Education Cooperative officials have a reasonable suspicion that the search will uncover evidence of a violation of law or Cannon Valley Special Education Cooperative rules. As soon as practicable after the search of a student's personal possessions, the Cannon Valley Special Education Cooperative officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or Cannon Valley Special Education Cooperative officials.

B. Desks

School desks are the property of the Cannon Valley Special Education Cooperative. At no time does the Cannon Valley Special Education Cooperative relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by Cooperative officials for any reason at any time, without notice, without student consent, and without a search warrant.

C. Personal Possessions and Student's Person

The personal possessions of students and/or a student's person may be searched when Cooperative officials have a reasonable suspicion that the search will uncover a violation of law or district rules. The search will be reasonable in its scope and intrusiveness.

D. A violation of this policy occurs when students use lockers and desks for unauthorized purposes or to store contraband. A violation occurs when students carry contraband on their person or in their personal possessions.

III. DEFINITIONS

- A. “Contraband” means any unauthorized item possession of which is prohibited by Cannon Valley Special Education Cooperative policy and/or law. It includes, but is not limited to, weapons and “look-alikes,” alcoholic beverages, controlled substances and “look-alikes,” overdue books and other materials belonging to the Cannon Valley Special Education Cooperative, and stolen property.
- B. “Personal possessions” includes, but is not limited to, purses, backpacks, bookbags, packages, and clothing.
- C. “Reasonable suspicion” means that Cooperative official has grounds to believe that the search will result in evidence of a violation of Cannon Valley Special Education Cooperative policy, rules, and/or law. Reasonable suspicion may be based on a Cooperative official’s personal observation, a report from a student, parent or staff member, a student’s suspicious behavior, a student’s age and past history or record of conduct both in and out of the school context, or other reliable sources of information.
- D. “Reasonable scope” means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g., to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.
