I. PURPOSE

The purpose of this policy is to recognize that violence has increased and to identify measures that the Cannon Valley Special Education Cooperative will take in an attempt to maintain a learning and working environment that is free from violent and disruptive behavior.

The Cooperative Board is committed to promoting healthy human relationships and learning environments that are physically and psychologically safe for all members of the school community. It further believes that students are the first priority and they should be protected from physical or emotional harm during school activities and on Cooperative grounds, buses, or field trips while under Cannon Valley Special Education Cooperative supervision.
